TACERA recognizes individuals that demonstrate excellence in our profession. In the past, we have awarded the “County Engineer / Road Administrator of the Year” at our annual conference. Eligible candidates for this award are County Engineers, Commissioner’s Court Appointed Road Administrators, Public Work Directors, or Staff Engineers.

A nominee for “**County Engineer / Road Administrator of the Year**” has shown excellence in the field of public works management, promoting public safety and preserving & enhancing road infrastructure. This individual has demonstrated dedication through administration of his/her county’s road management program in pursuing the goals of safe roadways while staying within budget.

Again this year, TACERA is adding the “**County Road Employee of the Year**” award. Eligible candidates for this award are County Road Supervisors, Equipment Operators, Road Hands, Road Office Administrators or Staff. A nominee for “County Road Employee of the Year” has shown excellence in performing road work duties, interacting with the public and furthering employee safety. This individual has demonstrated dedication to county road work policies, started new or improved current county road procedures and pursued the goals of safe work practices during county roadway maintenance and construction.

New this year, TACERA is awarding “**Honorary Membership.**” Eligible candidates include any current or former County Engineers, Road Administrators, Public Work Directors, Staff Engineers, Road Supervisors, Equipment Operators, Road Hands, Road Office Administrators or County Staff whose contributions and dedication to the field make their continued involvement with TACERA highly valuable. The selected individual(s) will receive free lifetime membership in the hopes that they will remain a source of technical and institutional knowledge of public works, safety and road infrastructure even after retirement.

Please be aware that TACERA’s four person judging panel will be rotating every year. Therefore, we will have a different panel of judges from last year. Our judges are chosen from a pool of current and former TACERA members.

We would like your nominations for these awards. Nominations will be accepted from County Judges, County Commissioners and/or TACERA Members. Winners will be announced at the 2018 TACERA Fall Conference in San Antonio which will be held October 15th through October 18th, 2018.
