April 1, 2019

TACERA recognizes individuals that demonstrate excellence in our profession. In the past, we have awarded the **“County Engineer / Road Administrator of the Year”** at our annual conference. Eligible candidates for this award are County Engineers, Commissioner’s Court Appointed Road Administrators, Public Work Directors, or Staff Engineers.

A nominee for “County Engineer / Road Administrator of the Year” has shown excellence in the field of public works management, promoting public safety and preserving & enhancing road infrastructure. This individual has demonstrated dedication through administration of his/her county’s road management program in pursuing the goals of safe roadways while staying within budget.

Again this year, TACERA is adding the **“County Road Employee of the Year”** award. Eligible candidates for this award are County Road Supervisors, Equipment Operators, Road Hands, Road Office Administrators or Staff.

A nominee for “County Road Employee of the Year” has shown excellence in performing road work duties, interacting with the public and furthering employee safety. This individual has demonstrated dedication to county road work policies, started new or improved current county road procedures and pursued the goals of safe work practices during county roadway maintenance and construction.

Please be aware that TACERA’s four person judging panel will be rotating every year. Therefore, we will have a different panel of judges from last year. Our judges are chosen from a pool of current and former TACERA members.

We would like your nominations for these awards. Nominations will be accepted from County Judges, County Commissioners and or TACERA Members. Winners will be announced at the 2019 TACERA Fall Conference in San Antonio which runs from October 29 to October 31, 2019. Please return completed nomination forms by 5pm on August 30, 2019 to the TACERA Executive Office at tacera1@att.net or by fax at (512) 260-1409.

Sincerely,

Robert Berndt
TACERA Awards Committee Chairman
